- Describe the “computer parable” in your own words. (pp. 135, 137)
- Take some time to meditate on what it means to use your mental abilities more when Jesus is on the keyboard. What does this mean when studying according to 2 Timothy 2:15? (pp. 140, 141)
- Describe why asking the Lord about little, insignificant decisions can be a stumbling block. (p. 141)
- Consider your motivation for wanting to hear the Lord and obey Him. Remember, you don’t have to ask the Lord about everything. You get to ask the Lord about everything! (p. 142)
