PARADOX

The bill-collector sighed and sighed;
He trembled like a leaf;
His eyes were bright with unshed tears;
His heart was full of grief;
"I'm weary of this life!" he groaned,
"I work from sun to sun,
And, though my tasks are never through,
My work is always *dun!*"

ALBUM OF FAMILIAR MUSINGS:

BUNNY YEAGER!

When you hear of a fellow at a party who has
the reputation of a live wire, it's for sure
he's looking for some sparking!

"My teacher warned me that there were bosses like you, but I didn't think I'd be lucky enough to find one on my very first job!"

"I just met the most wonderful man ... he has everything ... including the key to my apartment!"

"You know something, Doctor; that new X-Ray machine you're using is just like my boyfriend's camera!"

"Gosh, Estelle, how do you think it makes me feel to know that other men are looking at you the way I'm looking at their wives!"
