**My girlfriend cheated on me for 3 years FROM prison. It truly hurt my heart. And while I'm still dealing with this issue, I released this inspirational clean hip hop song "I'll Never Stop" to help myself move forward. I just want to do great things with my life. Please take just a moment to give my new song a listen. You will not be disappointed. Thanks in advance. I value your input so please feel free to comment on the song. One love.**
