PRINTED IN CANADA.

THE CARIBBEAN.

IT'S BEEN FOUR DAYS SINCE WE LEFT MECHA-NEW-YORK. IT TURNS OUT THAT 'OASIS' WAS REALLY AN INTERNATIONAL COVERT CRIME SYNDICATE INSTEAD OF AN AMERICAN-BASED GOVERNMENT OPERATIONS UNIT DESIGNED TO GUARD AGAINST TIME-TRAVEL.

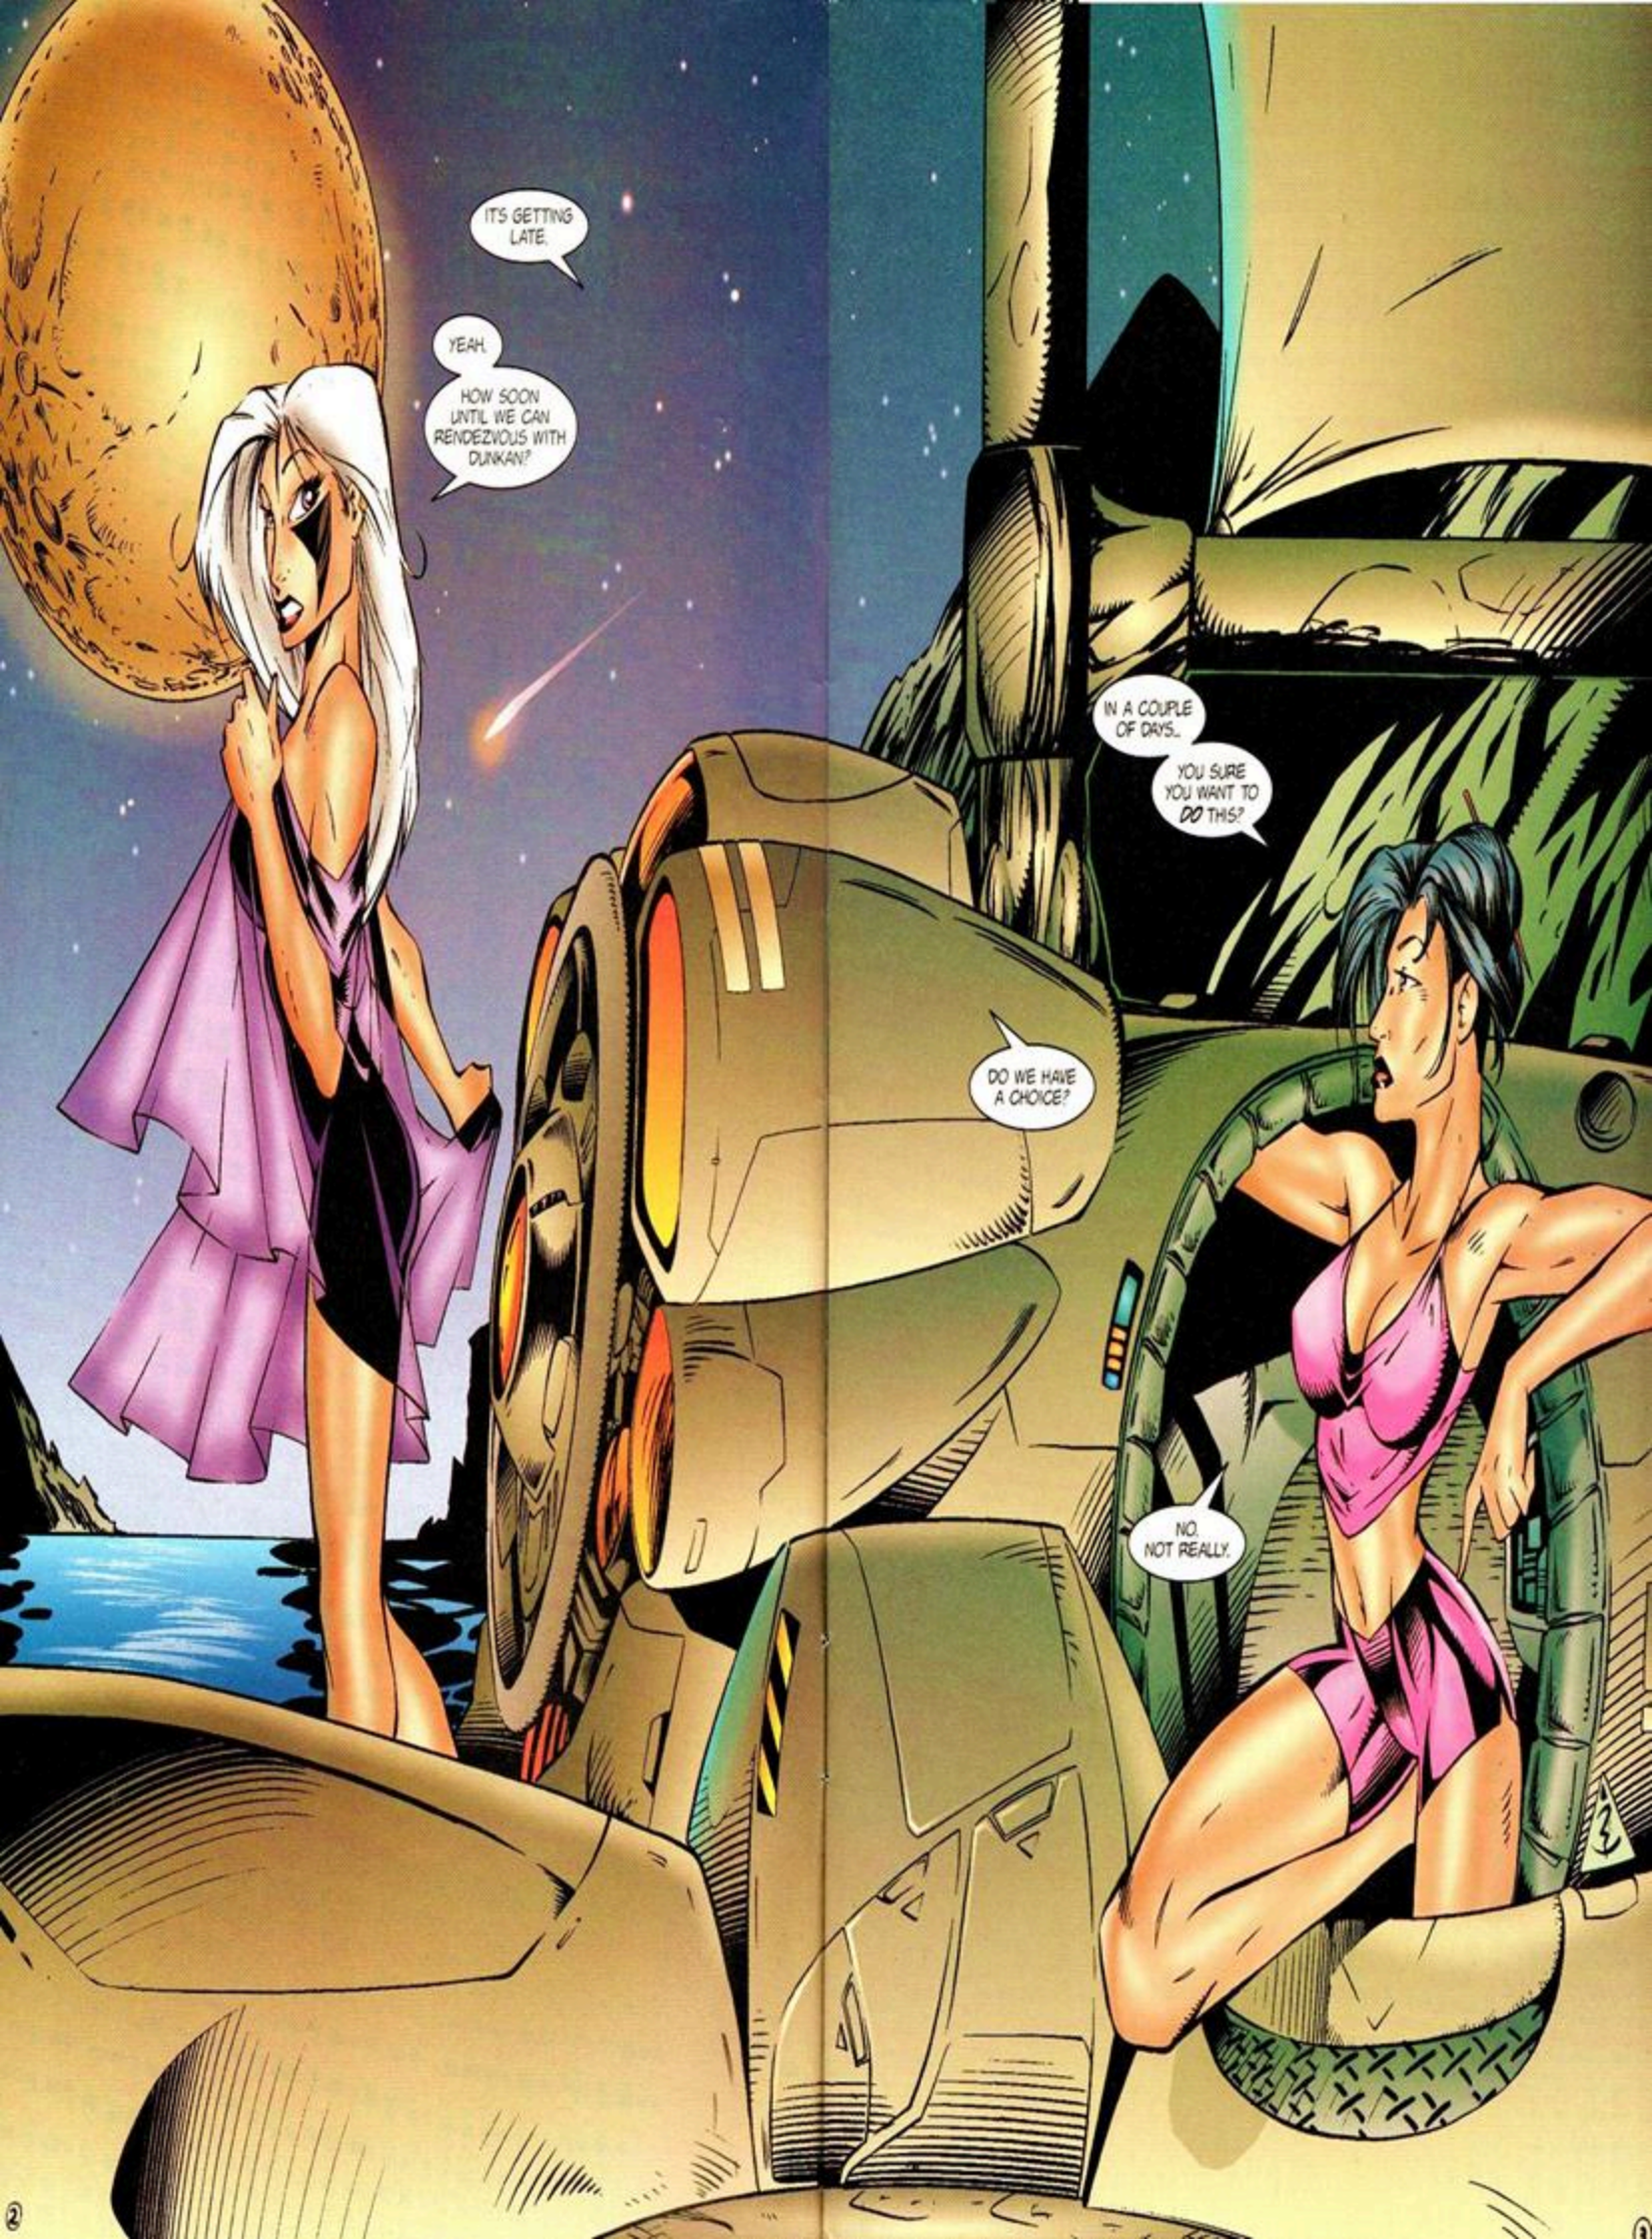

YEAH, I KNOW. A LOT OF TWENTY-DOLLAR WORDS THAT DON'T AMOUNT TO MUCH. BUT SUFFICE TO SAY-- OASIS WAS REALLY RUN BY A BUNCH OF *BAD GUYS*.

HMM, YEAH. I'D CALL HER CRAZY TOO IF I WASN'T A TIME-TRAVELER FROM A UNIVERSE THAT DOESN'T EXIST ANYMORE. HEH, FOR ME-- A STORY LIKE THAT IS JUST ABOUT THE NORM.

ONE *BAD GUY* IN PARTICULAR-- KATHRYN SAYS HE'S HUNDREDS OF YEARS OLD AND THAT HE'S SOME SORT OF SHAPE-SHIFTING *ALIEN* THAT HAS GAINED THE TRUST AND THE FUNDING FOR HIS ORGANIZATION BY MASQUERADING AROUND IN *HUMAN* FORM AS A GOODY-GOODY-RESPECTABLE BUSINESSMAN.

WHY CAN'T LIFE JUST BE SIMPLE?

IT'S GETTING
LATE.

YEAH.

HOW SOON
UNTIL WE CAN
RENDEZVOUS WITH
DUNKAN?

IN A COUPLE
OF DAYS..

YOU SURE
YOU WANT TO
DO THIS?

DO WE HAVE
A CHOICE?

NO.
NOT REALLY.

**IS
IT GETTING
HOT
IN HERE...**

**OR
IS IT
JUST**

CYNDERTM

**NIRA X AND CYNDER HIT IT
OFF THIS FEBURARY
IN A CROSSOVER THAT WILL
LEAVE YOU
EXTRA CRISPY!**

IF OASIS STILL
CONTROLS THE TIME
CONTINUUM...

I KNOW.

THEY CAN *ERASE*
US...THEY CAN ERASE
ALL OF US.

BA-DOOM!

WHAT TH--!?

I THOUGHT
THESE ISLANDS WERE
UNINHABITED!

WE'D BETTER
CHECK IT OUT!

NIRA! WAIT!

HOPE.

FAITH.

SOMETIMES...IT MAY
NOT BE ENOUGH.

SOMETIMES...

IT'S ALL YOU HAVE.

FOR ME...

IT'S ALL IVE
EVER HAD.

IF I DIE...
IT'S ALL I'LL EVER
NEED.

A large, muscular green dragon-like creature with long hair and a gold cross pendant is shown in a dynamic pose, surrounded by jagged, rocky terrain. Two bright yellow energy beams cut across the upper half of the frame. In the background, a dark, silhouetted figure with a green visor and a red and white emblem on its chest is visible. The scene is set in a jungle with large, detailed leaves in the foreground.

BUT FOR NOW--
I LIVE.

AND THE STRUGGLE
CONTINUES...IT'S BEEN
THIS WAY SINCE I
WAS BORN-- I WAS
DIFFERENT.

PEOPLE FEARED ME
AND I WAS SHUNNED AWAY--
UNTIL FINALLY I ENDED UP
HERE.

THEY CALL ME THE
DRAGON-MAN.

IVE BEEN CALLED
WORSE.

USUALLY THEY JUST FIRE
NETS AND DRAG ME
BACK...GET IT...? DRAGGIN'
MAN? ...HEY, YEAH-- REAL
FUNNY.

TODAYS DIFFERENT.
TODAY THEY KEEP
SHOUTING THAT I'M
A DEAD-MAN. TODAY
THEY'RE NOT SHOOTING
NETS.

TODAY MAY BE THE DAY I
FIND OUT... IF MY FAITH IN
GOD...

...IF MY...

...FAITH.

...

HMMPH!

THAT'LL
TEACH HIM!

HE RUNS
AWAY--WE DRAG HIM
BACK!

GETS *OLD*
AFTER AWHILE,
MAN.

YEAH, EVEN
FOR BIO-SYNTHETICS
LIKE *US*!

OH, GOD...
THIS...
SUCKS...

...P-PLEASE...

HOW
TOUCHING.

YOU'D BETTER
PRAY REAL HARD,
BOY.

'CAUSE
PSYCHO'S SENDIN'
YOU TA MEET
HIM!

I CAN'T BELIEVE IT!

THOSE MONSTERS ARE
GOING TO EXECUTE HIM!

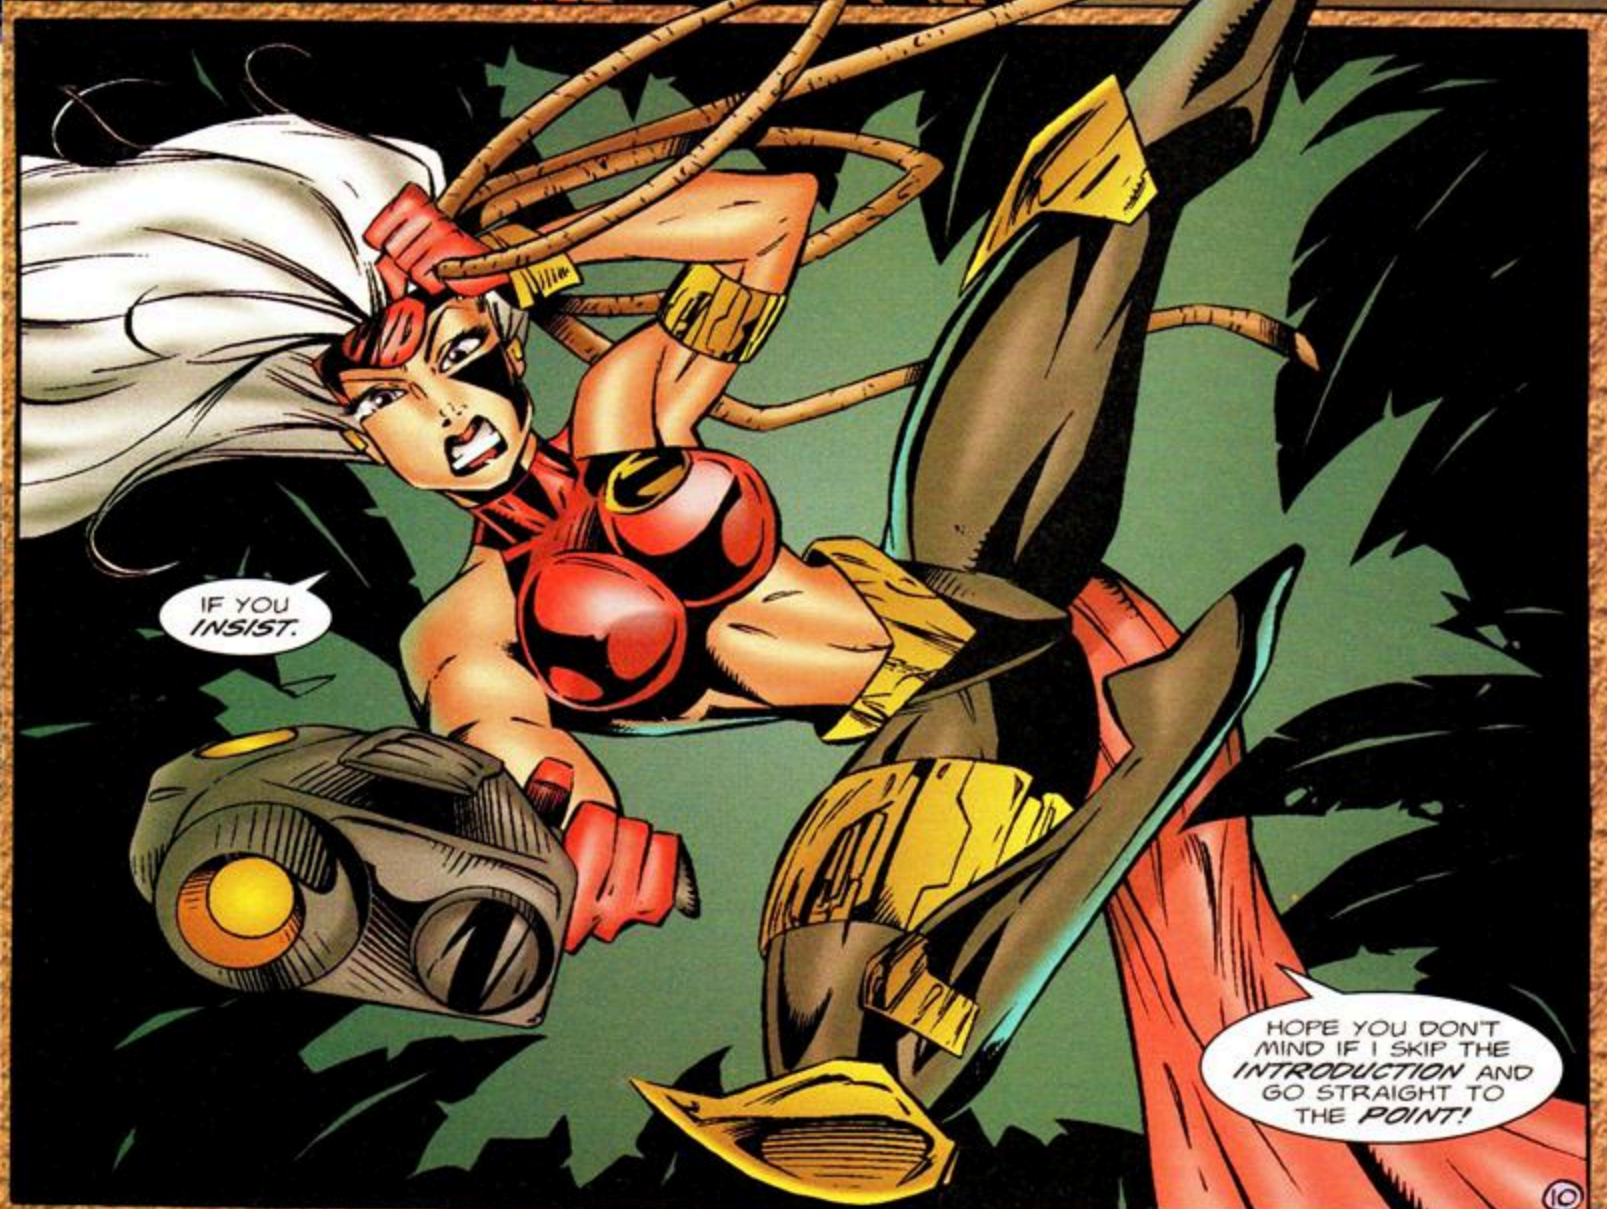

...AND FROM EVERYTHING I
JUST OVERHEARD...

I CAN'T JUST SIT BACK AND
WATCH SOME BIO-SYNTHETIC
APPOINT HIMSELF JUDGE AND
JURY OVER A DEFENSELESS
CREATURE!

SOMEBODY'S
GOT A LOTTA NERVE
BLOWIN' UP ONE OF
MY GUYS!

SHOW
YOURSELF! WHO

IF YOU
INSIST.

HOPE YOU DONT
MIND IF I SKIP THE

Exciting news on the Nira X: Cyberangel front! Well, first of all--a full color, 3 issue story (which you're holding the first issue to in your hands right now!) Second of all--a totally cool crossover with CYNDER! Immortelle Studios and Entity Comics are joining forces to bring you a REAL independent crossover from two REAL independent comic companies!

Nira X/Cynder: Endangered Species #1 will be out in February, and it's going to be HOT! Nira X and Cynder are summoned to a remote world where hostile aliens make their prisoners fight in a kill-or-be-killed deathmatch! They make their first mistake in eons by kidnapping our heroines and--well...you'll find out what happens in February. It'll be a totally fun, action-packed adventure that's gotten SPOTLIGHTS from Diamond Comics Previews Magazine, and the HOT FLASH! from Capital City's Advance Comics! So, tell your retailer to order extra!

We've got more great stuff cooking up for you, so please--hop on board and enjoy the ride! Now for a few letters!

Dear Entity:

Here is my newest drawing of Nira. I enjoy drawing the pictures, and

look forward to maybe seeing one of them in your fan art page of the comic book, not because of the signed edition book so much (Even though that would be way cool), but just to see a picture that I drew printed in a book. I think you guys and girls at Entity are great. Keep up the good work.

Todd Parker
Melvindale, MI

Hmmm...I'll have to get back to you on how soon your art might get printed--in fact, I'll let you know right after I put this next piece of art on the page.

Dear Bill,
I want to tell you how much I enjoyed Nira's #1,2, and #3 books. The drawings are great and the story never has a dull

moment. You are really heading for great success with this book, and I'm waiting for the next issue to come out. Why do you need to leave me us hanging? It gets me so frustrated waiting for the next issue that I read the previous ones over and over! Anyways, I hope you continue with your awesome stories and growing success.

Shui-Yuen Yan
Cerritos, CA

Thank you so much for the kind words. I'll keep on working hard to not disappoint you!

Dear Mr. Maus,
I've really enjoyed your Nira X series ever since the first volume, number one. I think you're one of the most talented creators in the world of comics today, and I know you must hear that a thousand times a month, but in all my twenty-plus years of collecting comics, I have written maybe three letters to various companies. I just wanted to let you know that I admire and respect a man who can take his talents and put them to the best possible use that he can. I also love to draw, so I spent a couple of days pencilling, inking, and coloring the enclosed picture for you. I would really appreciate it

if you could let me know what you truthfully think. Well, take care and keep putting out those great books, and you will have a fan for life.

Thank you, Bill Carder, Cord, AR

Hey, thanks for all the kind words! Your art is WAY COOL, and the only advice I could give is to keep it up!

I want to hear from YOU! Take care and keep reading. Peace.

METAL MILITIA

Imagine that your childhood
playground was a mine field.
That your neighborhood slowly
THE FACE
decayed and became a ceme-
tery. The only nightlight in your
room was the glow of napalm
OF WAR
from outside the shattered win-
dows. Even the bogeyman fears
the dark things that emerge after
IS BUT A
sundown, the real monsters.
The rotting breeze echoes with
the many voices that have fal-
len silent. You are haunted by a
MIRROR
face that has no form. This is no
nightmare from which you can
wake. This is war. And these are
the memories of Hoang Nguyen,
OF OUR
who grew up in Vietnam during
the insanity that ripped our
countries apart. From this mind
comes Metal Militia, a powerful
SOULS
story of the men born from the
madness of our world. Be pre-
pared. Because you will never
hear the one that hits you.
