Use this step by step guide for best result

Step 1

Step 2

Assembly tips

You can make colored parts in two ways.
Print the first sheet of the template on color paper,
or just paint the details before gluing

Every detail has its own number with large symbols.
Follow these numbers for your convenience.

If you want to make model more in size, print the
pattern on a3 size paper and scale up to 145%.

Enjoy it !

Step 3

Step 4

Step 5

Make a photo of the finished work and share in social
networks. Please tag me on the photo [@papercraftfreak](#)
and use a hashtag [#papercraftfreak](#)

For assembling. Print this pattern on 5 sheets A4 cardstock 160-300gsm scale 100%

279 mm

178 mm

166 mm
