

STUNNER VETRA STRAPS AND ROPES FURNITURE

The Straps & Ropes collection by Vetra Furniture is a must buy. The entire range of furniture is so eye-catching as every piece is class apart and stylish. The best part about straps and ropes collection is that it can be placed indoors as well as outdoors with minimal maintenance required like basic dusting on a regular basis. It is made of PVC warrn, which is extremely sturdy and is available in various classic colors. To add color to the masterpieces you can pick from a variant range of cushion fabric which can again be used outdoors under all weather conditions and suits to all type of exteriors and interiors of your spaces.

Each item has been expertly crafted in a fashionable yet extremely comfortable pattern to offer you a sense of richness and elegance. For you to decorate your outdoor spaces, the exclusive designs are distinctively constructed and offered in a variety of styles, colours, and finishes.

Vetra develops extraordinarily rich and sumptuous appearing outdoor furniture by combining fabric, teakwood, straps, and ropes to create both eating and lounge pieces. As a result, Vetra is regarded India's leading **manufacturer and supplier of outdoor furniture in India.**
